Music Director Search Team Notes 03/10/16

The Staff Resources Committee did not have a regular meeting in the past month so there are no official minutes. However the committee, along with the music liaisons, has been very busy with the Music Director search. Here is a summary of work so far in the processing of the four remaining candidates (originally six):

On February 23rd Karl Love, Bob Hicks and Sheri Novak conducted initial interviews with John Bailey and later, Gretchen Eichburger.

On Saturday March 5^h the same team interviewed Barbara Freeman.

On Saturday March 12th Rabbi Chava Bahle, Judy Weaver and Karl Love conducted a second interview. The candidate interviewed was Barbara Freeman.

Also on Saturday March 12th Karl Love, Bob Hicks and Judy Weaver conducted an initial interview. The Final initial candidate was Susan Holmes Glazier.

Additional second interviews are scheduled for John Bailey and Gretchen Eichburger on Wednesday March 16th. Rabbi Chava Bahle, Leslie Cook and Judy Weaver will conduct those interviews.

A remaining second interview will be scheduled for Susan Holmes Glazier.

Upon completion of all second interviews the team will select the two top candidates and recommend that they guest conduct the Vocal Ensemble before we make a final recommendation to the Board. We intend to treat our other candidates very carefully so that if anything would happen to the candidacy of the first two, we would still be able to process them into final candidates as appropriate.

We thank the Board and the Congregation for their indulgence in this process as we endeavor to recommend the best candidate available in this key position.

Respectfully submitted,

Karl D. Love, Co-Chair
