Dear Member or Friend

Last year you made pledge commitment to UUCGT in the amount of \$\_\_\_\_\_.  
As of this date, we have received \_\_\_\_\_ of your pledge.

As you know, we base our annual budget on the promises that our members and friends make to UUCGT during the pledge drive. When pledges remain unpaid, our budget suffers and cuts have to be made in some areas. Obviously we have bills to pay and commitments to maintain, and they are financially based on what our members and friends pledged to give.

If you have fallen on financially difficult times, please contact Sheri Novak in the UUCGT office and inform her if you are unable to fulfill your obligation.

If you have other concerns that lead you to the decision to NOT fulfill your pledge, please call Rabbi Chava, Karl Love, or myself – or any Board member to discuss these concerns. We want to hear from you.

If you have just simply forgotten your pledge to UUCGT, please try to make it up at this time, as we are approximately 75% of the way through our fiscal year and are about to start a new Pledge Drive next month. We would like to get our bookkeeping in order as to the status of unpaid pledges.

Again, we appreciate every single one of you and offer you the chance to open your hearts and minds to the good work that *everyone* at UUCGT does. Generosity is the underlying spirit of our work.

With Respect

Judy Myers, Co-Chair
