

### **DLE Board Report – September 2016 – Addition**

Rabbi Chava conveyed to me that the Personnel Committee was interested in having me add the numbers of children served for at least the past 3 years to my September board report.

**The following information is copied from my annual reports for the following years:**

**2012-2013, 2013-2014, 2014-2015**

**I restructured my report last year a bit, and had not included this information, so I have complied it below for you.**

2012-2013: "...Children/youth/infants/toddlers is up to 38"

2013-2014: "...Currently serve 45 children/youth/infants/toddlers..."

2014-2015: "...63...children/youth/infants/toddlers..."

2015-2016: we served over 56 children/youth/toddlers in the 2015-2016 program year
