

Board Report – December 2016

Curriculum for Children and Youth.

Sarah managed to prepare all the curriculum information needed for teachers, as well as story time options for Sunday Services before she left. She has left the white binders for teachers, and books for story time on her desk, on the left-hand side (in the open), with sticky notes indicating all the information needed. Teachers are confirmed, and lessons are set.

Committee on bringing in younger families decided against meeting this month. I need to verify the time yet, but tentatively, we will reconnect on January 11 at 9am.

LE Committee Meeting scheduled for January 11, 2017 at 12n. The LE committee has discussed and planned which members will attend the various meetings that the DLE would have attended. I will attend the next Sunday Services meeting (2017-01-18), John will attend the Program council meeting (2017-01-15). We have also decided that when we (members of the LE Committee) attend service, we will check in at the membership table first off, so if a new family approaches the membership table, the membership team will have an LE contact to match them up with.

Heifer Tree Our total thus far is \$485 collected.

OWL Update: Due to lack of numbers, the OWL teachers have decided to wait another year to plan the lessons.

Adults Programming

Brew Pub Brewing Community: reminder, this is a family friendly event to socialize. You are welcome even if you do not drink. We try to select places that have food and non-alcoholic beverages as well. This month's meeting will be at Rare bird on Thursday (2016-12-22).

Wednesday night suppers

Mike and Sandra McDonald are (un)officially taking care of the Wednesday night suppers in Sarah's absence. I will reach out to them to see if I can offer any support.

Winter Solstice Celebration

Will take place Tuesday (2016-12-20) at 6pm.

Please let me know if there is any other information you would hope for in this report. I will do what I can.

Thank you

Marco Cabrera (LE Committee member)
